reaffirmed, inter alia, their commitment to uphold their obligation to ensure respect for the Convention in the Occupied Palestinian Territory, including East Jerusalem,

Recalling its relevant resolutions, including resolutions S-9/1 of 12 January 2009, 19/17 of 22 March 2012 and S-21/1 of 23 July 2014,

Recalling also the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory,

Expressing its appreciation to the United Nations Independent Commission of Inquiry on the 2014 Gaza Conflict, and all other relevant United Nations mechanisms, as well as the treaty bodies and other United Nations bodies, for their reports,

Recognizing the work of Palestinian, Israeli and international civil society actors and human rights defenders in documenting and countering violations of international law in the Occupied Palestinian Territory, including East Jerusalem,

Affirming the obligation of all parties to respect international humanitarian law and international human rights law,

Emphasizing the importance of the safety and well-being of all civilians, and reaffirming the obligation to ensure the protection of civilians in armed conflict,

Gravely concerned by reports regarding serious human rights violations and grave breaches of international humanitarian law, including possible war crimes, including the findings of the United Nations Independent International Fact-Finding Mission on the Gaza Conflict, of the United Nations independent international fact-finding mission to investigate the implications of Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem, of the independent commission of inquiry on the 2014 Gaza conflict, and of the boards of inquiry convened by the Secretary-General,

Condemning all violations of human rights and of international humanitarian law, and appalled at the widespread and unprecedented levels of destruction, death and human suffering caused in the Occupied Palestinian Territory, including East Jerusalem,

Stressing the urgency of achieving without delay an end to the Israeli occupation that began in 1967, and affirming that this is necessary in order to uphold human rights and international law,

Deploing the non-cooperation by Israel with all Human Rights Council fact-finding missions and the independent commission of inquiry on the 2014 Gaza conflict and the refusal to grant access to, and cooperate with, international human rights bodies and a number of United Nations special procedures seeking to investigate alleged violations of international law in the Occupied Palestinian Territory, including East Jerusalem,

Regretting the lack of implementation of the recommendations contained in the reports of the independent commission of inquiry on the 2014 Gaza conflict, the United Nations independent international fact-finding mission to investigate the implications of Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem, and the United Nations Fact-Finding Mission on the Gaza Conflict, which follows a pattern of lack of implementation of recommendations made by United Nations mechanisms and bodies,

Alarmed that long-standing systemic impunity for international law violations has allowed for the recurrence of grave violations without consequence, and stressing the need to ensure accountability for all violations of international humanitarian law and

international human rights law in order to end impunity, ensure justice, deter further violations, protect civilians, and promote peace,

Regretting the lack of progress in the conduct of domestic investigations in accordance with international law standards, and aware of the existence of numerous legal, procedural, and practical obstacles in the Israeli civil and criminal legal system contributing to the denial of access to justice for Palestinian victims and of their right to an effective judicial remedy,

Emphasizing the need for States to investigate and prosecute grave breaches of the Geneva Conventions of 1949 and other serious violations of international humanitarian law, to end impunity, to uphold their obligations to ensure respect, and to promote international accountability,

4. *Emphasizes* the need to ensure that all those responsible for violations of international humanitarian law and international human rights law are held to account, through appropriate, fair and independent national or international criminal justice mechanisms, as well as to ensure the provision of effective remedy to all victims, including full reparations, and stresses the need to pursue practical steps towards these goals to ensure justice for all victims and to contribute to the prevention of future violations;
